

## View From My Window by Pastor Everhart

Did you know we now have several stretches of highway in Pennsylvania that are posted with a 70 mph speed limit? While traveling home from Pittsburgh a few weeks ago I came upon one on the PA Turnpike. I told Barb, "Look at that! I've never seen a 70 mph speed limit sign in our state before!" A half mile later there were construction signs everywhere with a reduced speed of 55. Isn't that just like life? You could really be making some time if it weren't for this restriction or that delay. Our smooth sailing seems to be restricted to half mile increments divided by ten mile construction zones. Don't despair, just ahead is an exit into a better land where the restrictions will be gone and we'll be free forever. As the old hymn goes,  
"Just a few more weary days and then I'll fly away!"
