**The View  
From My Window**  
WITH PASTOR JOEL

Do you remember this year's Presidential Election? I know it was almost a month ago but I don't want us to lose the wonder of all the pundits & polls being badly mistaken with all their predictions. Nor do I want us to relax our burning desire to see our nation turn to God! No president, governor, mayor, or judge is going to save America if her people do not turn away from their sins & turn to the Lord. We need revival much more than we need our policies changed ... & many of our policies desperately need changing.

Pray for a change of heart, a transformation of people's minds by the power of the Holy Spirit. This will be a greater miracle than the election -- this will be a change that transforms. Pray for godly people to take control of Hollywood, Wall Street, Main Street, the military, & the church. Pray that you will be in constant step with the Lord, not lagging behind or running ahead, but consumed in His Presence & will. Nations become godly one person at a time. Start with you then work outward from there.

- Pastor Joel
