

New Life Assembly of God

Child's Information - 2017

Your child's safety is a top priority of the New Life Kids Ministry. Each week, you will receive a numbered tag that will be associated with your child. Following the service, your child will be released from Kids Church when this tag is returned to the Sign-out Attendant. This protocol allows for older siblings to check out your child for you if you choose.

We would like to get to know your child a little better. Please complete the following information regarding your child. If you have more than one child, please complete a separate form for each.

Child's Name _____
(First) (Last)

Parent's Name _____
(First) (Last)

Parent's Name _____
