The View  
From My Window  
WITH PASTOR JOEL

My wife & I are paying more than ever before for our cable & Internet even though we have downgraded our services several times: no home phone service comes with this bundle & we have the most anemic list of stations since we used an antenna on the roof.

Seriously, I no longer have any sports channels -- no ESPN, Fox Sports Pittsburgh (Penguin & Pirate games) ... **nothing**. Worse, our "guide" still displays what is being shown on all the channels we are no longer getting. As if to say, "Ha-Ha, you could be watching the Pens/Caps game or your favorite movie of all time if you weren't so cheap!"

When we first moved to Hanover 31 years ago our cable bill was \$7.40/month. Now it's over \$130! At this rate, if I live another 31 years I'll be paying \$2,340/month for their services & have only two channels: the home shopping network & the infomercial network pushing products 24 hours a day.

Too many have downgraded their services with God. They no longer have salvation, just a place in their life where Jesus used to reign. Our mission is to find them & restore the power of a repentant, dedicated life.
