The View
From My Window

WITH PASTOR JOEL

I'm not as young as I used to be, but then again I'm younger than I'll ever be again! My mom always tells me, "Joel, you're younger than you know." For the longest time I used to think, *Mom, I'm older than you realize.* I'm beginning to understand that she's right. Oh, my body often surprises me with new revelations like getting more tired than I remember when doing certain tasks, or getting stiff when I've sat for too long, or accumulating more wrinkles...

But I'm also amazed by my capacity to learn, grow, & adapt. God is ever working to improve me (and you). He even has ways of getting a few extra miles out of this old body of mine. Yes, I'm older than I used to be but my God is faithful, vibrant, & powerful as ever. Follow His lead & He'll get you where you need to be.

- Pastor Joel
