**The View
From My Window**
WITH PASTOR JOEL

A friend of mine got a raise but the amount of his co-pay for his health insurance increased more than his salary did so his net take-home is now less than it was last year. He will need to get a part-time job just to break even. You probably have a similar story.

Healthcare, tax reform, North Korea, terrorists, Lyme's disease, immigration reform, free speech ... *All things work together for good for those who love God & are called according to His purpose.*

(Romans 8:28) Calm down, take a deep breath & place your faith in God. He has always provided for you & He always will. Put your mind, heart, soul, & body in the Lord's hands & at His disposal & He will make a way for you where there seems to be no way. *Trust in the Lord with all your heart. Lean not on your own understanding. In all your ways acknowledge Him & He will make your path straight.* (Proverbs 3:5)
